Meaningful Metrics Everyone welcome! Semi-Private Sessions

Activity-Based Class

$99 per class • 1 hour

*Class packages available

Pre Teen and Up

A new hands-on adventure every session!

Each class features a different hands-on project, giving participants the chance to explore new interests, build skills, and make friends through collaboration. Families can choose the sessions that work best for them.

No-bake kitchen

Follow a recipe for a simple snack.

Build it

STEM building with blocks, straws, or kits.

Music and rhythm

Drum circles and rhythm echo games.

Movement games

Relay and cooperative movement games.

Scavenger hunt

Indoor or outdoor hunt with picture clues.

Food note: We plan for common allergies and can make substitutions as needed.

Sundays

12:00 PM to 1:00 PM

Weekly • Check our calendar for dates.

In person

Sibling discount

calculated at checkout.
