Meaningful Metrics

Activity-Based Class

$99 per class • 1 hour

All Ages

*Class packages available

Explore. Create. Play. Belong.

A new hands-on adventure every session!

Each class features a different hands-on project, giving participants the chance to build skills, explore interests, and make new friends. Activities encourage creativity, collaboration, and confidence, and families can choose the sessions that work best for their schedule.

Rotating Themes Include:

No-bake kitchen

Follow a recipe for a simple snack

Build it

STEM building with blocks, straws, or kits

Music and rhythm

Drum circles and rhythm echo games

Movement games

Relay and cooperative movement games

Scavenger hunt

Indoor or outdoor hunt with picture clues

Food note: We plan for common allergies and can make accommodations as needed.

Saturdays
9:00 AM to 10:00 AM
Weekly • Check our calendar for dates

In person

Everyone welcome!
Semi-Private Sessions
